## Academic Policies

Plagiarism policy:

A.C.T.S. defines Plagiarism as “using someone’s ideas, words, or data, without proper acknowledgement, as one’s own original work.” To avoid plagiarism, you must 1) cite the original author every time you use his or her exact written or spoken word (by enclosing them with quotation marks if fewer than four lines or indenting as a block quote if four or more lines) or 2) paraphrase someone’s written or spoken words and recognize the author/source in the body of the text or as a footnote. Plagiarism is an act of dishonesty and violation of academic integrity.

If an Instructor determines that an act of plagiarism has occurred, after talking with the student, the Academic Dean will be notified. Possible consequences will be considered, including: a failing grade for the work, a failing grade for the entire course, asking the student to redo the assignment, etc.
